Ann Frantz

DEPUTY CLERK

**UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF TENNESSEE**

IN RE:) **Administrative Order No. 207**
ATTORNEY SUSPENSION)

ORDER

To insure that the roll of attorneys authorized to practice in the Court is timely maintained, any attorney administratively suspended from the practice of law, for any reasons in the Rules of the Supreme Court of the State of Tennessee, Rule 9, Section 30.3, will be automatically suspended from the practice of law in this Court, including the suspension of the attorney's CM/ECF privileges. To reinstate practice privileges in this Court, the attorney must notify the Clerk of Court that the attorney has been readmitted to practice by the Tennessee Supreme Court. The Clerk will then confirm the attorney's status with the Tennessee Board of Professional Responsibility. If verified as active, the Clerk will reinstate the attorney's practice and CM/ECF privileges in this Court, without the attorney's reapplication for admission, unless there is another reason to deny the privilege to practice before this Court.

If any attorney is disbarred or suspended as a disciplinary sanction by the Tennessee Supreme Court under Rules of the Supreme Court of the State of Tennessee, Rule 9, Section 30.4, or any regulatory authority or tribunal outside Tennessee, that attorney will be automatically suspended from the practice of law in this Court without the requirement of a separate order. The Clerk will also suspend the attorney's CM/ECF privileges. Any attorney disbarred or suspended as a disciplinary sanction by the Tennessee Supreme Court or any regulatory authority or tribunal outside Tennessee shall immediately notify this Court, independent of any disciplinary rules or orders that might otherwise apply to the attorney's suspension or disbarment. To reinstate practice

privileges, the attorney must reapply for admission under the Court's rules and procedures for admission to practice. In considering applications for readmission, this Court is not bound by the decisions of the Tennessee Supreme Court, the Board of Professional Responsibility of the Tennessee Supreme Court or any other regulatory authority or tribunal, and in each case this Court will make its own determination as to the attorney's fitness to practice law in this Court. If the attorney is readmitted, the Clerk will reinstate the attorney's CM/ECF filing privileges.
