CJA eVoucher | Version 6.3 | AO-OIT-SDSO-Training Division | **May 2020**

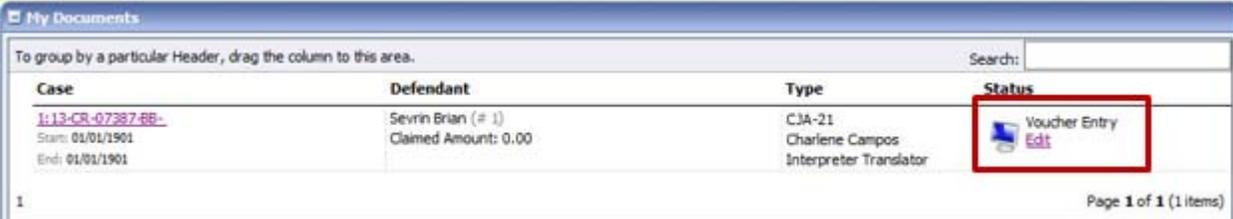

Expert vs. Expert Enter

CJA eVoucher allows two designations for experts to complete the voucher: Expert and Expert Enter. When the service provider logs on, they see a list of all their documents on the home page. Clicking the **Expert** radio button allows the service provider to log on to eVoucher, view any documents the attorney is creating on their behalf, verify the information is correct, and run reports or copies of the CJA-21 or CJA-31. The Expert Enter right allows the expert to complete their voucher after the attorney has created it. If the attorney selects an expert who has these privileges, they can choose if the attorney or the expert will complete the voucher. The expert can then enter the correct information and submit the voucher back to the attorney for approval.

Voucher Assignment Attorney Expert
This indicates who will be responsible for filling the voucher claim part

CJA-21/31 Entry

The attorney creates the CJA-21 or CJA-31 voucher. If the expert selected has Expert Enter rights, the attorney can choose to let the expert enter the services and expenses. The expert receives an email informing them that a voucher has been created on their behalf, and to enter their information on the voucher. Log on to the eVoucher application. The voucher should appear in the experts My Documents section on your home page. To enter your fees and expenses, in the Status column, click the **Edit** link.
